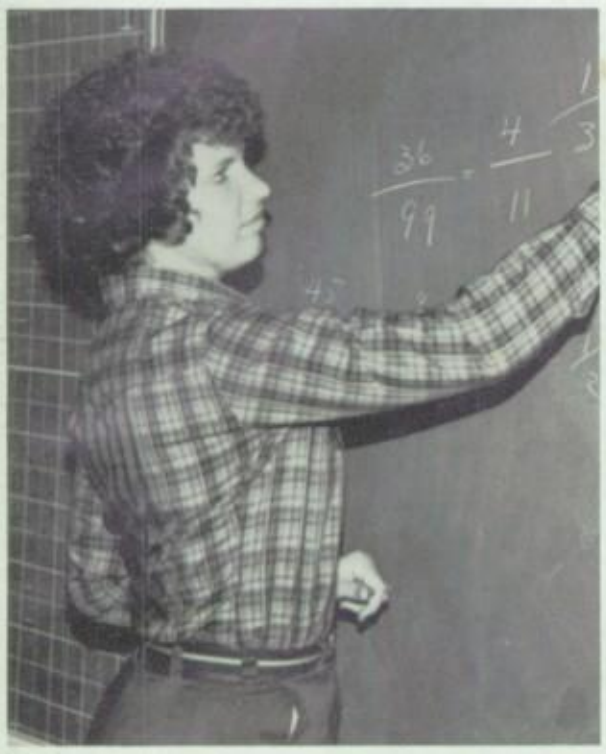
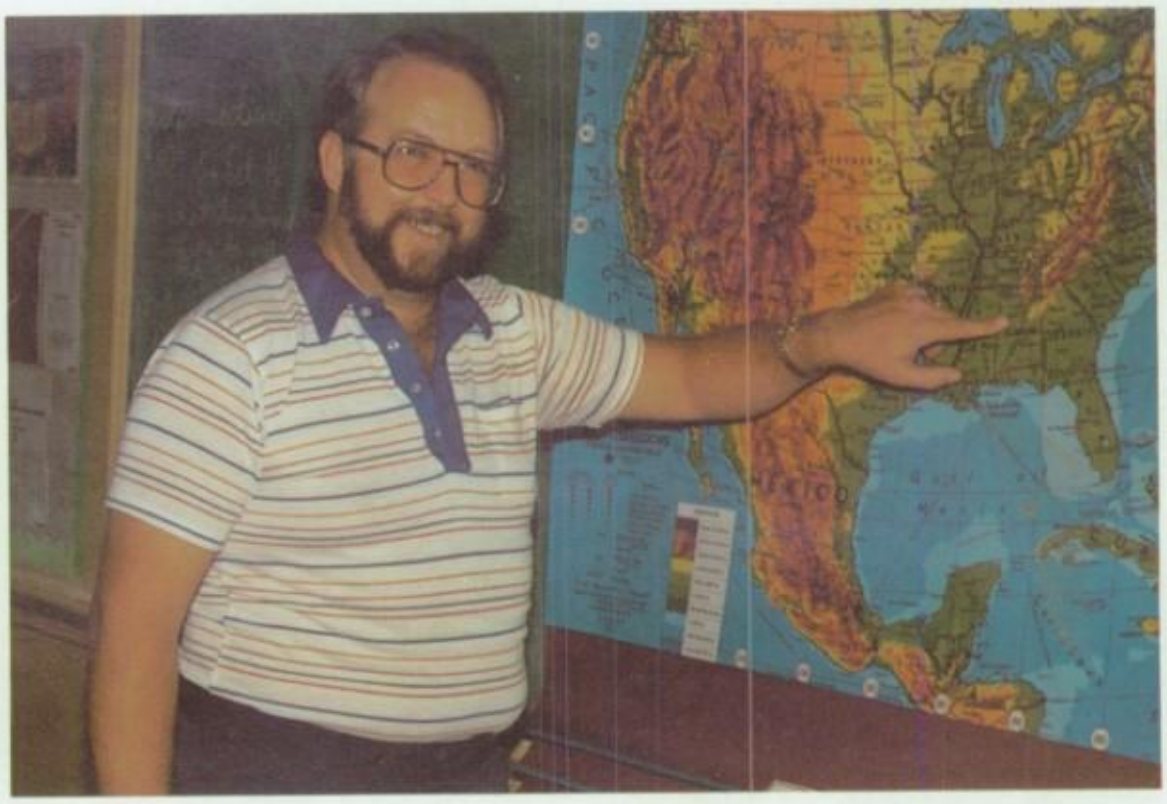
SINGER





This year's edition of THE HUB is dedicated to a person who is very kind and considerate. He takes time to help with clubs and other extra-curricular activities and has been a very cooperative person with the student body. He gives his personal attention to each and every student. For his willingness to give of himself we are very grateful. To express our deep appreciation for all he has done we, the yearbook staff, dedicate the 1982 HUB to Mr. Steve McCaleb.

The 1982 Hub Staff consists of Martha Flynn, Denise Selman, Marcie Sprinkle and Charlene Gary, sponsor.

Beginning work in May, 1981, the staff worked very hard during the summer. We were one of the eighty-two schools represented at a workshop at the University of Alabama, July 14-16. Of those groups participating, fourteen were awarded trophies for outstanding projects submitted. We were very proud to receive one of these awards.

Homecoming is always an exciting time at Hubbertville High. This year was no exception. Much hard work was performed by each class in making floats, preparing door signs, and making dummies for the bonfire. However, it wasn't all work; everyone had a great time. All the work produced a great homecoming.

The Hubbertville Lions won the game against the Phillips Bears — 59-0.

At half-time Miss Suzy Sprinkle was crowned Homecoming Queen. Miss Barbara Trull was first alternate; Miss Deborah Flynn was second alternate.

A Company's Responsibilities

When a company is part of the community in which it's located, it has certain responsibilities— ... to offer a good place to work ... to be a good neighbor ... to recognize its role in the overall plan ... and to help its community to be one of the best places to live and work. We at Continental Conveyor accept our responsibilities. After all ... we live here too.

Each year, a Yearbook is produced. To many it is nothing more than a book filled with pictures. But to the 1982 staff this book is much more.

It has involved much hard work and very little play, but all in all we have enjoyed it. We would like to express our deepest appreciation to those who have helped us put this yearbook together. We are grateful to our sponsor, Mrs. Gary, our consultant, Mr. Elmore, Belmont photographers, and the faculty for being so understanding when we barged in and interrupted classes to take pictures. A special thanks goes to Lynn Roby for the artwork. To Rita Hubbert, Teresa Dunavant, Donny McCaleb, the cheerleaders, SGA members, and the many others who have given assistance, we say thank you. To the advertisers who donated money to help finance this book, we are indebted.

Hopefully in years to come, this book will be a source of cherished memories for you to look back upon.

To you we present this 1982 HUB and sincerely hope that you will enjoy it.
